

# The Grammar of Graphics- V2.0

Arvind Venkatadri

02 Feb 2021

## Contents

This RMarkdown document is derived from *A Layered Grammar of Graphics* by Hadley Wickham, which is on the Files folder.

I strongly encourage you to glance through the original article, when you work more with this document.

Esp. IAIDP,VCSB and HCD people. Oh, and FILM people.

## A Teaser from John Snow

```
SnowMap(polygons = TRUE)
```

## Snow's Cholera Map of London
